Nevada Medicaid Web Announcement 3866

Attention All Providers: Medicaid ID Cards

All providers are required to accept digital Medicaid ID cards and/or Notice of Decision (NOD) documents as valid proof of coverage. Please do not turn away members for not having a physical card. Providers can check the [Provider Web Portal](#) (PWP) to verify eligibility and service authorization.

See [PWP User Manual Chapter 2: Eligibility Benefit Verification](#) for more information about this tool.
