Nevada Medicaid Web Announcement 3871

Form FA-13A Updated to Rehabilitative Residential Treatment Services Absence Form

The RTC Absence Form (FA-13A) has been updated to the Rehabilitative Residential Treatment Services Absence Form and replaced on the Nevada Medicaid Provider Portal website on the [Providers Forms](#) webpage.

The changes to this form include the following:

- Language changes of RTC to Psychiatric Residential Treatment Facility (PRTF). Reference [Web Announcement 3656](#).
- Added new provider type specialty of Rehabilitative Residential Mental Health Care (RRMHC)/Community Residential Mental Health Services (CRMHS) since they will be able to utilize this form as well.
- Adjusted the language of Therapeutic Home Pass to Therapeutic Leave Days to match the language in policy, and clarified the language to match requirements discussed in policy.

Providers are requested to discontinue use of the previous version of the form and use the updated form dated 03/20/2026 immediately.

Requests for Therapeutic Leave Days submitted on any previous version of the form will be returned to the provider and the provider will need to resubmit the request on the updated form.
