Nevada Medicaid Web Announcement 3873

NOW OPEN: Apply for Nevada's Rural Health System Flex Fund

The Nevada Health Authority (NVHA) is proud to announce that the first funding opportunity under the state's [Rural Health Transformation](#) (RHT) Program is now available!

The **Nevada Rural Health System Flex Fund** is designed to support the unique needs of our rural health providers in supporting capital expenditures and equipment to enhance and modernize local rural health care infrastructure. NVHA invites all partners to explore this (and future) opportunities under the state's RHT program and consider how these resources can help transform health care access and outcomes in rural Nevada.

- View the Request for Applications (RFA): [Nevada's RHT Funding Opportunities](#)
- Round 1 Deadline: April 30, 2026, by 11:59pm PT.

Note: If funds remain after this first cycle, NVHA will open a second round of applications.
