Nevada Medicaid Web Announcement 3912

Attention Provider Type 34 (Therapy) Specialty 28 (Occupational Therapy):

Rates for Assessment Codes Have Been Corrected

Follow up to [Web Announcement 3657](#): During the rate adjustment for provider type 34 (Therapy) specialty 28 (Occupational Therapy), the rates for the following assessment codes were configured incorrectly in the Medicaid Management Information System (MMIS) and claims were not paid at the updated rate:

- A0160 (Non-Emergency Transportation: Per Mile – Case Worker or Social Worker)
- T1015 (Clinic Visit/Encounter, All-Inclusive)
- T1023 (Screening to Determine the Appropriateness of Consideration of an Individual for Participation in a Specified Program, Project or Treatment Protocol, per Encounter)

Effective for claims processed on or after May 4, 2026, the rates have been updated, and claims will now pay correctly.

Effective January 1, 2026, Managed Care Organizations (MCOs) have up to 60 days after receiving updated rate files to implement rate changes on a go-forward basis, unless otherwise specified by the State. MCOs must implement rates for FQHCs, CAHs, RHCs, and other cost-report based rates effective when the State prescribes them, including retroactively, as applicable. This provision does not limit the MCOs' ability to apply cost-containment or avoidance activities that reduce costs or prevent fraud, waste, or abuse.

Claims submitted by PT 34 specialty 28 for procedure codes A0160, T1015, and T1023 that paid at the incorrect rate will be reprocessed automatically. The impacted claims have dates of service on or after January 1, 2025. Results of the reprocessed claims will appear on a future remittance advice.

When claims are reprocessed, please be aware that all system and clinical claim editor edits are applicable. As a result, there may be no additional payment, and other claim denials may be received. Providers have the right to appeal denied claims, including those denied upon reprocessing. Please refer to [Medicaid Services Manual Chapter 100](#) and the [Billing Manual](#) for information concerning the claim appeal process and time frames.
