Nevada Medicaid Web Announcement 3932

Medicaid Services Manual Chapters Updated

The following Medicaid Services Manual (MSM) chapters have been updated and posted on the Nevada Medicaid website:

- MSM Chapter 400 – Mental Health Services (effective April 29, 2026)

<https://www.nevadamedicaid.nv.gov/resources/medicaid-services-manual/chapter-400-mental-health-services/>

Nevada Medicaid has adopted revisions to Medicaid Services Manual (MSM) Chapter 400, Section 403.6D on Assertive Community Treatment (ACT).

The adopted changes include updating the ACT definition, requiring teams to have unique National Provider Identifiers (NPI), revising team roles and composition, and incorporating Division of Public and Behavioral Health (DPBH) certification standards and evidence-based practices. These changes also add Individual Treatment Plans (ITP), clarify team meeting requirements, and provide examples of proactive participant engagement. Service updates replace case management with care coordination and supportive employment with psychosocial supports, while new language addresses ACT bundled rates and other outpatient behavioral health bundled rates.

- MSM Chapter 600 – Physician Services (effective April 1, 2026)
