Nevada Medicaid Web Announcement 3944

Error Code 5074 Has Been Updated for Drug Claims With Additional Modifiers

Follow-up to [Web Announcement 3842](#): Claims that were billed with another modifier in addition to Modifier JW have been denying in error with error code 5074 (Exact dupe current NDC equal history NDC). Modifiers TB and UD are appropriate to use with Modifier JW.

Effective for claims processed on or after June 15, 2026, error code 5074 has been updated, and claims billed with Modifier TB or Modifier UD in combination with Modifier JW will no longer deny.

Claims with Modifier JW and either Modifier TB or Modifier UD that denied will be reprocessed automatically. The impacted claims have dates of service on or after July 30, 2024. Results of the reprocessed claims will appear on a future remittance advice.

When claims are reprocessed, please be aware that all system and clinical claim editor edits are applicable. As a result, there may be no additional payment, and other claim denials may be received. Providers have the right to appeal denied claims, including those denied upon reprocessing. Please refer to [Medicaid Services Manual Chapter 100](#) and the [Billing Manual](#) for information concerning the claim appeal process and time frames.
