## **Attention Provider Type 22 (Dental): Expanded Coverage for Adults 21 Years and Older**

Effective July 1, 2026, dental benefits for adults age 21 years and older have been expanded to cover additional diagnostic, preventative, periodontal, and operative (fillings and crowns) services. The impacted procedure codes are listed below. In addition to existing service limits, these services are subject to a \$1,000 per calendar year limit for adults age 21 years and older. New error code 5751 (\$1000 Allowed per Calendar Year) will apply to claims that exceed this.

Please refer to the [Provider Type 22 \(Dental\) Billing Guide](#) for more information on this error code and instructions related to recipient financial responsibility. Please note that coverage continues for emergency and palliative care benefits which are not subject to the expenditure limits. There is no adult benefit coverage for endodontics or non-emergency extractions.

Refer to the provider type 22 (Dental) Billing Guide [Attachment A: Fee-for-Service Coverage, Limitations and Prior Authorization Requirements](#) for full details related to these codes, including descriptions, prior authorization requirements, and service limits.

Additionally, please print and post [the attached flyer](#) to encourage Medicaid Members to use their dental benefits.
