Nevada Medicaid Web Announcement 4010

New Specialty 309 (Behavioral Health Training Clinic) Under Provider Type 14 (Behavioral Health Outpatient Treatment) is Now Available for Enrollment

Follow-up to [Web Announcement 4000](#): Effective September 21, 2026, new specialty 309 (Behavioral Health Training Clinic [BHTC]) under provider type 14 (Behavioral Health Outpatient Treatment) is now available for enrollment through the [Provider Flex](#) tool. Providers must enroll with a unique National Provider Identifier (NPI). Eligible providers may backdate their enrollment effective date 6 months prior to their application date.

Additionally, an enrollment checklist with requirements specific to this specialty is available on the [Enrollment Checklists](#) page. Refer to the [Provider Enrollment Information Booklet](#) for general enrollment requirements and information.

Once a provider is enrolled and active under PT 14 specialty 309, they may begin to submit claims under their new specialty following the prior authorization and billing requirements. These requirements can be found in the PT 14 billing guide, which is posted on the [Billing Information](#) page.

[Medicaid Services Manual Chapter 4500](#) – Behavioral Health Training Clinic has been created with the complete policy for this specialty.
