Nevada Medicaid Web Announcement 4018

Attention Provider Type 63 (Rehabilitative Residential Treatment Services): Updates to Enrollment Requirements

Provider type (PT) 63 (Rehabilitative Residential Treatment Services) will undergo several important changes to enrollment and billing processes, effective October 19, 2026.

As an update to [Web Announcement 3973](#): PT 63 providers will be required to upload the copy of the Medical Director or Clinical Director's active license in the Medical/Clinical Director section of the application, rather than the Miscellaneous Attachments section as previously required.

Additionally, the Provider Flex Enrollment tool is being updated to require individual providers to link to a PT 63. The following individual PTs may link to PT 63:

- 14 - Behavioral Health Outpatient Treatment (specialties 300, 301, 302, 305, 306, 307)
- 20 - Physician, M.D., Osteopath, D.O.
- 24 - Advanced Practice Registered Nurses (specialties 023 and 924)
- 26 - Psychologist
- 85 - Applied Behavior Analysis (specialties 310, 311, 312, 314)

Note: Providers enrolled as Ordering, Prescribing, Referring (OPR), specialty 400 are not eligible to link to a group.

Instructions for linking to a group are available in Section 1.2 Provider Information of the [Flex User Guide – Individual Application](#). Provider groups that individual providers may link to are listed in the [Provider Enrollment Information Booklet](#).
