Nevada Medicaid Web Announcement 4021

**Attention Provider Type 63 (Rehabilitative Residential Treatment Services)
Specialty 963 (Psychiatric Residential Treatment Facility):**

Complete a Cost Report By November 20, 2026

Nevada Medicaid is requesting that providers for Psychiatric Residential Treatment Facilities (PRTF) under provider type (PT) 63 (Rehabilitative Residential Treatment Services) complete a cost report and submit it to rates@nvha.nv.gov by November 20, 2026.

These cost reports will be requested annually beginning this year. This information is essential for maintaining accurate upper-payment limit financial data and supporting the next phase of the PRTF State Plan Amendment (SPA) process, including development of quality incentive payments and efforts to improve access to care for vulnerable populations.

The cost report can be downloaded [here](#).
