ICD-10 Diagnosis Code Will Be Required on Gender Affirming Care Medications for Children beginning October 13, 2026

A CMS Final Rule regarding Gender Affirming Care in pediatric patients (Federal Register :: Medicaid Program; Prohibition on Federal Medicaid and Children's Health Insurance Program Funding for Sex-Rejecting Procedures Furnished to Children) will go into effect on October 13, 2026. Nevada Medicaid will continue to pay for these medications using state funds. To appropriately capture these claims, an ICD-10 diagnosis code will now be required at point-of-sale.
