Nevada Medicaid Web Announcement 4064

New Specialty 318 (Assertive Community Treatment) Under Provider Type 14 (Behavioral Health Outpatient Treatment) is Now Available for Enrollment

Follow-up to Web Announcement 4054: New specialty 318 (Assertive Community Treatment [ACT]) under provider type 14 (Behavioral Health Outpatient Treatment) is now available for enrollment through the Provider Flex tool. Providers must enroll with a unique National Provider Identifier (NPI). Please refer to the Provider Enrollment Information Booklet for general enrollment requirements and information, and an enrollment checklist will be available on the Enrollment Checklists page.

Once a provider is enrolled and active under PT 14 specialty 318, they may begin to submit claims under their new specialty following the prior authorization and billing requirements. These requirements can be found in the PT 14 billing guide, which is posted on the Billing Information page.

Medicaid Services Manual Chapter 400 – Mental Health Services was updated October 1, 2025, with the policy applicable to ACT.
