Web Announcement 421

URGENT: Previously Announced Rate Changes for Provider Types 22, 32, 33, 45 and 46 Postponed and Rate Change for Provider Type 10 Retracted

Nevada Medicaid rate changes previously announced for provider types 22, 32, 33, 45 and 46 in [Web Announcement 408](#) are postponed and will be rolled back to the rates in effect prior to the Aug. 1, 2011, reductions. Providers will be notified via web announcement when a new implementation date is set.

Nevada Medicaid rate changes previously announced for provider type 10 (Outpatient Surgery, Hospital Based) are being retracted. Rates will be rolled back to those in effect prior to the Aug. 1, 2011, reductions and any claims paid at the reduced rate will be reprocessed. Providers will be notified via web announcement when the rates are restored.
