Web Announcement 430

## **Attention Dental Providers: Panoramic Radiographic Examinations (CDT D0330)**

As a reminder, coverage for panoramic radiographic examinations (CDT D0330 - Panoramic Film) is limited to once every three rolling years. Complete policy for dental services is available in Medicaid Services Manual (MSM), Chapter 1000, which was last updated on September 14, 2010.

The Medicaid Management Information System (MMIS) has been correctly processing claims for this service. Effective November 22, 2011, the MMIS edit code description that appears on remittance advices was updated to correctly reflect Nevada Medicaid policy for these claims.
