Announcement 435

## **URGENT:**

### **Updates and Reminders for Previously Announced Rate Changes for Provider Types 10, 22, 32, 33, 45 and 46**

This announcement provides updates and reminders regarding previously announced rate changes for the provider types indicated below. The changes were originally announced in [Web Announcement 408](#) and then were announced as postponed or retracted in [Web Announcement 421](#).

- **Provider Type 10:** The previously announced rate reduction of 15 percent has been retracted. Rates have been restored to those in effect prior to the Aug. 1, 2011 change. Any claims affected by the prior reduction were reprocessed and the adjudication appears on remittance advices dated December 2, 2011.
- **Provider Type 22:** Rates have been reduced by .7 percent with an effective date of Aug. 1, 2011. Any claims with a date of service from Aug. 1, 2011, to Aug. 8, 2011, will be reprocessed at the lower rate. The adjudication of any reprocessed claims will be reported on a future remittance advice.
- **Provider Type 32:** The previously announced rate reduction of 15 percent has been restored to those rates in effect prior to the Aug. 1, 2011, change. Claims affected by the reduction will be reprocessed and the adjudication will appear on a future remittance advice.
- **Provider Type 33:** Rates have been reduced by .7 percent effective Aug. 1, 2011. Any claims with a date of service from Aug. 1, 2011, to Aug. 8, 2011, will be reprocessed at the lower rate. The adjudication of any reprocessed claims will be reported on a future remittance advice.
- **Provider Type 45:** The previously announced rate reduction of 15 percent has been restored to those rates in effect prior to the Aug. 1, 2011, change. Providers will be notified via web announcement regarding the status of the proposed reduction for provider type 45 and any related claims reprocessing.
- **Provider Type 46:** The previously announced rate reduction of 15 percent has been restored to those rates in effect prior to the Aug. 1, 2011, change. Providers will be notified via web announcement regarding the status of the proposed reduction for provider type 46 and any related claims reprocessing.
