Upcoming Changes in Reimbursement to ESRD Providers

Medicaid is in the process of changing its reimbursement to End Stage Renal Disease (ESRD) Facilities (provider type 45) from a composite rate to a bundled prospective payment system (PPS) that includes biologicals and drugs. Further information will be posted on this website as it becomes available.

For more information regarding the new reimbursement system, please refer to Section 153(b) of the Medicare Improvements for Patients and Providers Act (MIPPA) and the Code of Federal Regulations Title 42 Part 413.171.
