Announcement 586

Attention Provider Types 20, 25 and 41: Update Regarding Claims for Ocular Lenses and Ocular Services

As providers were notified in [Web Announcement 564](#), claims for some ocular lenses and ocular miscellaneous services denied or were cut back inappropriately for one service limit per 12 months. Claims with dates of service on or after January 27, 2011, that denied for edit code 1026 (Contraindicated Audit - Any Provider, Included in Related Procedure) or edit code 1332 (Two Service Units per Twelve Months) were previously reprocessed.

Update: The affected claims that were cut back have been reprocessed. The adjudication of these reprocessed claims appeared on remittance advices dated April 5, 2013.
