Announcement 601

URGENT Notice Regarding Physician-Administered Drug Claims That Denied in Error for Edit Code 9045

Attention provider types 12, 14, 16, 20, 21, 22, 24, 25, 27, 29, 36, 45, 64, 72, 74 and 77:

Some physician-administered drug claims recently denied in error for edit code 9045 (claim submitted does not match the prior authorization). The denied claims will appear on remittance advices (RAs) dated May 24, 2013. The system has been updated and no new claims are being denied erroneously. Affected claims will be automatically reprocessed and will be reflected on a future RA. No action is required by providers.
