URGENT Notification for Provider Type 47: Regarding Claims Denied for Edit Code 1267

Attention Indian Health Services (IHS) and Tribal Clinics (provider type 47): Claims for procedure code T1015 (Clinic visit/encounter, all inclusive) that have recently denied for edit code 1267 (EPSDT screening limit 1 a day) do not require you to submit a claims appeal. Please be aware that the Division of Health Care Financing and Policy (DHCFP) and HP Enterprise Services (HPES) are urgently working to correct this systematic denial.

No action is required by providers. Affected claims will be automatically reprocessed at a later date. Providers will be notified when the claims are reprocessed.
