Nursing Facility Rates Updated:

Nevada Medicaid rates for Provider Type 19 (Nursing Facilities) have been updated in the Medicaid Management Information System (MMIS). Adjudicated claims that were reported on Remittance Advices (RA) dated 7/08/05 through 8/26/05 were paid at the rates in effect 4/01/05. Affected claims will be adjusted using the rates effective 7/01/05 and the results will appear on the RA dated 9/16/05.

No action is required by providers.
