## **Provider Type 22: Claims for CDT Code D1351 Reprocessed**

Dental claims billed electronically with CDT code D1351 (Sealant, per tooth) that denied with edit code 0936 (Tooth/Procedure – Invalid Combination) when billed with a one-digit tooth code, i.e., “2” instead of “02,” have been automatically reprocessed. The adjudication of the affected claims with dates of service June 17, 2011, through June 17, 2013, appears on remittance advices dated January 10, 2014.
