PASRR II Determination Letter Revised to Clarify Mental Health and Intellectual Disabilities Authority

The Division of Health Care Financing and Policy (DHCFP) recently revised outdated language within the PASRR II Determination Letter, which clarifies that the Division of Public and Behavioral Health (DPBH), through an interlocal agreement with DHCFP, acts as the designated Mental Health and Intellectual Disabilities authority for the State of Nevada. Through this agreement, DPBH is responsible for monitoring PASRR II determinations for the State.
