Important Changes for CMS-1500 Claims With Third Party Liability

Billing procedures have been revised for providers who submit CMS-1500 Claim Forms with Third Party Liability (TPL). The revisions have been designed to alleviate adjudication problems on claims with TPL. Both electronic and paper claims are affected by the changes that will be implemented 1/13/06.

- Providers will need to alter their billing procedures. Please review the complete billing instructions in the [CMS-1500 Claim Form Instructions](https://medicaid.nv.gov) posted at <https://medicaid.nv.gov> (select "Billing Manuals" from the "Providers" drop-down menu).

A detailed image of a CMS-1500 Insurance Claim Form, showing various fields for patient information, provider information, and billing details. The form is titled "HEALTH INSURANCE CLAIM FORM" and includes sections for "PATIENT INFORMATION", "INSURANCE INFORMATION", "PROVIDER INFORMATION", and "BILLING INFORMATION". It also features a table for "SERVICES RENDERED" and a section for "PATIENT RESPONSIBILITY". The form is framed by a red border.
