PayerPath Claim Submission Training

The HP Enterprise Services' Electronic Data Interchange (EDI) department has scheduled virtual room training sessions for providers who have recently signed up to use PayerPath for their Nevada Medicaid claim submissions. This training will cover claim set up, submission, reviewing your claims, reporting and remittance advice review.

In order to participate in the training, you will need to select a date from the calendar below for the claim form you use and send in your request with your name, National Provider Identifier (NPI) and contact information to the following email address: nvmis.edisupport@hp.com. Please send in your request at least 5 days prior to the training you have selected as space is limited. If you have any questions, please call the EDI department: (877) 638-3472, option 2, option 0 and option 3.

A confirmation email will be sent to you with the conference line for the training as well as the link you will use to access the virtual room for the training session.
