Provider Type 14: Review Supervision Standards for Medical Supervision

Provider type 14 (Behavioral Health Outpatient Treatment) providers are referred to [Medicaid Services Manual \(MSM\)](#) Chapter 400 Section 403.2A for review of the Supervision Standards for Medical Supervision. Medical supervision includes ongoing evaluation and monitoring of the quality and effectiveness of the services provided. Please also note that medical supervisors must operate within the scope of their licensure and expertise and attest to having at least two years experience in a mental health setting with competency to oversee and evaluate a comprehensive mental health treatment program. Verification is provided upon enrollment in Nevada Medicaid as a medical supervisor.

Further, medical supervision for the Behavioral Health Community Networks (BHCN) must be updated within five (5) days of any changes being made by completing the [Provider Information Change form \(FA-33\)](#) per the Medicaid Services Manual, Chapter 100.
