## **Provider Type 47 Claims for Encounter Code T1015**

Provider type (PT) 47 (Indian Health Services (IHS) and Tribal Clinics) claims for HCPCS code T1015 (Clinic visit/encounter, all inclusive) are denying inappropriately for edit codes 0201 (duplicate payment request – different provider, same date of service) or edit code 0202 (duplicate of history file record – different provider, same date of service) when more than one encounter is billed per day. The affected claims will be automatically reprocessed. The adjudication of the reprocessed claims will appear on a future remittance advice.
