2006 HCPCS Codes and Rates Updated and Claims Reprocessed:

The 2006 Healthcare Common Procedure Coding System (HCPCS) codes have been updated in the Medicaid Management Information System (MMIS). Rates have also been added for covered services.

Claims with dates of service in 2006 that denied for invalid 2006 HCPCS codes have been reprocessed; please do not resubmit these previously denied claims. Your Remittance Advice (RA) dated 05/26/06 reports the adjudication of these claims. Effective immediately, please bill using the 2006 codes.
