Announcement 921

## **Upcoming Updates to Nevada Provider Enrollment**

HP Enterprise Services (HPES), in partnership with the Nevada Division of Health Care Financing and Policy (DHCFP), is currently working on a web-based Provider Enrollment Portal to automate provider enrollment. The Provider Enrollment Portal will allow providers to complete new enrollment, re-enrollment and provider changes using a web-based application. Future web announcements on this website will notify providers of the implementation date for the Provider Enrollment Portal.
