## **Automated, Online Provider Enrollment/Revalidation to be Implemented in 2015**

HP Enterprise Services (HPES), in partnership with the Nevada Division of Health Care Financing and Policy (DHCFP), is working on a web-based Provider Enrollment Portal to automate provider enrollment. The Provider Enrollment Portal will allow providers to complete new enrollment, revalidation and provider changes using a web-based application. Future web announcements on this website ([www.medicaid.nv.gov](http://www.medicaid.nv.gov)) will notify providers of the implementation date for the Provider Enrollment Portal.
