The clinical claim editor in the Medicaid Management Information System (MMIS) has been updated with the Centers for Medicare & Medicaid Services (CMS) National Correct Coding Initiative (NCCI) Quarter 4 2015 files, which were effective October 1, 2015.

Claims processed on or after October 1, 2015, through November 29, 2015, that were not processed using the updated NCCI files will be automatically reprocessed. The results of the reprocessed claims will appear on a future remittance advice.
