Attention Provider Type 83: Reminders Regarding ISO Self-Directed PCS Forms

All Personal Care Services - Intermediary Service Organization (ISO) providers (provider type 83) are reminded that the forms listed below are to be reviewed and signed by Nevada Medicaid recipients, or their chosen Personal Care Representative (PCR), and the ISO provider when a recipient elects to receive State Plan Personal Care Services (PCS) through the Self-Directed (SD) service delivery model. These forms will document the recipient's or PCR's understanding and acceptance of the SD PCS program requirements and responsibilities, which are also listed in the Medicaid Services Manual (MSM) Chapter 2600.

The original signed forms must be kept in the ISO recipient file and a copy should be provided to the recipient and/or PCR.

Do not send or fax a copy of the form(s) to Hewlett Packard Enterprise.
