Update for All Providers: Recipients Are Receiving Form 1095-B Regarding Medicaid Coverage

As of March 17, 2016, all *Form 1095-B Health Coverage* statements have been mailed to Nevada Medicaid/Nevada Check Up recipients. Recipients of the Nevada Medicaid/Nevada Check Up program may need the *Form 1095-B Health Coverage* information when they file their 2015 federal tax return. The forms were mailed to the head of household only, and the forms list each of the Nevada Medicaid/Nevada Check Up recipients within the household.
