Update to [Web Announcement 1250](#): Web Announcement 1250 notified provider type 64 (Hospice) that claims for revenue code 0651 (Hospice Service-Routine-Home Care) and HCPCS code Q5001 (Hospice or home health care provided in patient's home/residence) billed with add on modifier U2 for routine home day care for the first 60 days (RHC) with dates of service on or after January 1, 2016, through September 18, 2016, that did not pay at the appropriate rates would be automatically reprocessed. The impacted claims will no longer be automatically reprocessed. Providers will be asked to resubmit the claims that did not pay at the appropriate rate or that denied for edit code 0205 (All the revenue lines on a UB claim are priced at zero). A future web announcement will provide instructions for resubmitting these claims.

Please refer to Web Announcement 1250 and [Web Announcement 1309](#) for correct billing instructions.
