Drug Use Review (DUR) Board Approves Changes Effective August 6, 2018

The Nevada Medicaid Drug Use Review (DUR) Board met on April 26, 2018, and voted to adopt the following changes effective August 6, 2018:

Drug Class/Program	Changes
Fasenra™	Added prior authorization criteria
Makena®	Removed prior authorization criteria
GnRH Analogs	Revised prior authorization criteria to include diagnosis of Gender Dysphoria
High Dollar Claim	Added prior authorization criteria for claims exceeding \$10,000 per claim
