Web Announcement 1724

Facility Claims Denied With Edit Codes 0091 and 0683

Facility (UB-04/8371) claims that denied in error with edit code 0091 (Referring National Provider Identifier (NPI) not submitted) or edit code 0683 (Referring NPI is not submitted) with dates of service prior to October 15, 2018, and reflected on remittance advices dated October 26, 2018, will be automatically reprocessed to adjudicate correctly. A future web announcement will notify providers when the impacted claims will be reprocessed.

Please note:

- The erroneously set denial edit code 0683 impacts paper claims only.
- UB-04 Claim Form Field 76 (Attending provider name and identifiers) is a required field. The UB-04 Claim Form Instructions will be updated to reflect this requirement.
