Attention Dental Providers: Claims for Procedure Codes D2930 and D2932

Some dental claims submitted with procedure codes D2930 (Prefabricated stainless steel crown – primary tooth) and D2932 (Prefabricated resin crown) denied in error with error code 6110 (Dental services allowed per lifetime) when the service was rendered for the same tooth numbers. Effective January 14, 2020, claims for these codes will no longer deny in error with error code 6110.

Claims for codes D2930 and D2932 that processed on or after February 1, 2019, through January 14, 2020, and denied in error with error code 6110 will be automatically reprocessed. A future remittance advice message will notify providers when the claims are reprocessed.
