Provider Types 14 and 82: Use New FH-11C for Retrospective Authorization for Crisis Intervention Services

Effective immediately, behavioral health provider types 14 and 82 are required to use the new form [FH-11C](#) when requesting retrospective authorization for crisis intervention services. These retrospective authorization requests must be submitted to First Health Services within seven calendar days of the date service started. Service is limited to a maximum of three occurrences in a 90-day period.
