Nevada Medicaid cannot be billed for the cost of the monoclonal antibody products to treat COVID-19 that providers get for free. Providers may bill Nevada Medicaid for the infusion of these drugs and will be reimbursed in accordance with the methodology outlined in the Nevada Medicaid State Plan. These products are restricted from coverage through the pharmacy point-of-sale (POS) system.

Providers must bill the administered monoclonal antibodies with the following:

- HCPCS "Q" code with National Drug Code (NDC) billed at $.01, and
- Administration HCPCS "M" code and bill with usual and customary charge.

Please review the COVID-19 General Billing Guide for billing instructions. All Nevada Medicaid Fee-for-Service billing guides, including the COVID-19 General Billing Guide, can be found on the Providers Billing Information webpage at: https://www.medicaid.nv.gov/providers/BillingInfo.aspx.
