Nevada Medicaid Web Announcement 3190

Attention Personal Care Services Providers: Functional Assessment Service Plan (FASP) May Be Accessed, Downloaded and Printed

Effective October 16, 2023, provider types 30 (Personal Care Services - Provider Agency) and 83 (Personal Care Services - Provider Agency) have the ability to access, download and print a copy of the Personal Care Services (PCS) Functional Assessment Service Plan (FASP) from the Provider Web Portal using the Electronic Verification System (EVS).

Providers no longer need to contact Nevada Medicaid or the recipient's case manager or submit form FA-24 (Personal Care Services (PCS) Prior Authorization) to request a copy of the FASP.

See the [EVS User Manual Chapter 10 Report Download](#) for instructions on accessing, downloading and printing Prior Authorization Attachments from the Provider Web Portal.

Please note: When accessing your FASP, be sure to verify that the hours on your assessment match the authorized units on your prior authorization to ensure you have the obtained the most recent FASP.
