## **Adjustment for Provider Type 12 Receiving Edit Code 0210:**

UB-92 claims submitted by Nevada Medicaid and Nevada Check Up Provider Type 12 (Hospital, Outpatient) that were previously denied with Edit Code 0210 (No Pricing Segment is on File) have been adjusted. The edit appeared when pricing modifiers were entered on UB-92 claims.

The Remittance Advice (RA) dated 09/02/05 reported results of the adjustment.

No action is required by providers.
