Announcement 727

## 2014 New Code Update Status

Effective April 7, 2014, the code mapping and related rates for the 2014 new codes have been updated in the Medicaid Management Information System (MMIS). **For dates of service on or after January 1, 2014, when applicable, please use the appropriate new code(s).**

Claims billed with new 2014 codes that denied for edit codes 0148 and 0309 are scheduled to be automatically reprocessed the week of April 28, 2014. *Please note that this date is an estimate and subject to change. As work progresses, further updates will be provided on this webpage.*

A link has been provided on the [DHCFP Rates and Cost Containment webpage](#) to the list of the new 2014 codes activated by Nevada Medicaid and their corresponding provider types and rates.
