Announcement 947

## **Provider Type 22 Specialty 079 (Orthodontia) Can Bill Codes D0330, D0350 and D0470**

Effective on claims with dates of service on or after March 1, 2015, provider type 22 (Dentist) specialty 079 (Orthodontia) can bill CDT codes D0330 (Dental panoramic film), D0350 (Oral/facial photo images) and D0470 (Diagnostic casts). These CDT codes are currently required as part of the process that the orthodontist must follow before requesting a prior authorization for Orthodontic treatment.
